Corps of Engineers' 2005 annual day-use passes now available

LOUISVILLE, KY – Army Corps of Engineers 2005 annual day-use passes are now available and may be purchased at local Corps offices. Five Kentucky lake offices in the Louisville District issue and honor the passes, contact information is as follows:

Barren River (270) 646-2055
Carr Creek (606) 642-3308
Green River (270) 286-4521
Nolin (270) 286-4511
Rough River (270) 257-2061

Additional information about the annual day-use pass program may be found online at www.lrl.usace.army.mil under the "plan a trip" link.

The \$30 pass permits the holder and all accompanying passengers in the vehicle to use all boat launch ramps and designated swimming beaches at any Corps- operated recreation area for 12 months from the date of purchase, except at facilities within a fee campground and reserved exclusively for the use of campers.

With the new hang-tag pass design no duplicate passes will be sold. Golden Age and Golden Access 50-percent discounts apply to the purchase of nationwide annual day-use passes. Only one pass may be purchased at the 50-percent reduced price. The hang-tag design allows the owner to use the pass with multiple vehicles. Additional passes may still be purchased but they will be at the full price of \$30 each.

The Louisville District civil works mission encompasses a 75,500 square miles of the Lower Ohio River Basin in Illinois, Indiana, Kentucky, Ohio and Tennessee. It operates 20 multipurpose lakes and 10 locks and dams. The District is also involved in real estate activities, flood control measures, regulatory activities and disaster response as well as mobilization readiness. The military support mission includes planning, design, construction and real estate activities for Army, Air Force and Department of Defense facilities in Kentucky, Indiana, Illinois, Ohio and Michigan.
